Fox Paw Medallion

Welcome to Fox Paw Medallion!

A little bit of color, a little bit of clever piecing, and a whole lot of fun—that's what makes the Fox Paw Medallion come together!

This 18" × 18" mini quilt is made from nine simple 6" blocks and is designed with the confident beginner in mind. With basic squares, half-square triangles, and easy-to-assemble triangles, you'll create a playful medallion that looks wonderfully intricate without being complicated. It is perfect for a table center piece or to hang on the wall.

We've designed this pattern to encourage you to play with color, enjoy the process, and create something uniquely yours. Whether you make it in the original colorway or dream up your own, we hope this little quilt brings a bit of quilting mischief to your sewing room. If you would like to see how this pattern would look in your own color choice, open the Hooligan Quilt Studio. Add the block to your canvas and start designing. You can even use this block to create a whole quilt!

Happy quilting!

Master Cutting Chart

Finished Quilt Size: 18" × 18" without border

Finished Quilt Size with Optional Border: 22" × 22"

Skill Level: Confident Beginner

Seam Allowance: ¼" included in all cutting measurements

Here is the cutting chart for the blue, pink, and green color way, but you can have fun making this in any color combination, even scrappy!

Fabric	Piece	Quantity	Cutting Instructions
A — Dark Blue	Large triangles	4	1 — 6½" square, subcut diagonally twice
	HST triangles	4	2 — 2¾" squares, subcut diagonally once
B — Light Blue	Large triangles	8	2 — 6½" squares, subcut diagonally twice
	Plain squares	4	4 — 2½" squares
	HST triangles	16	8 — 2¾" squares, subcut diagonally once
C — Pink	Large squares	4	4 — 4½" squares

Fabric	Piece	Quantity	Cutting Instructions
D — Light Green	Large triangles	4	1 — 6½" square, subcut diagonally twice
	HST triangles	16	8 — 2 ¾ " squares, subcut diagonally once
	Plain squares	4	4 — 2 ½ " squares
	HST triangles	4	2 — 2 ¾ " squares, subcut diagonally once
	Optional top & bottom border	2	2½" × 18½" strips
	Optional side borders	2	2½" × 22½" strips

Cutting Notes

Large triangles:

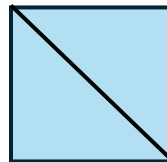

Cut the required number of 6½" squares and subcut each square diagonally twice to create four triangles like this diagram.

- Fabric A: 1 square → 4 triangles
- Fabric B: 2 squares → 8 triangles
- Fabric C: 1 square → 4 triangles

HST triangles:

Cut the required 2½" squares and subcut each square diagonally once to create two half-square triangles like this diagram.

Optional Border

The border finishes at 2" wide.

1. Sew the two 2½" × 18½" strips to the top and bottom of the 18½" unfinished quilt. Press.
2. The quilt will now measure approximately 18½" × 22½" unfinished.
3. Sew the two 2½" × 22½" strips to the left and right sides. Press.

Final finished size with border: 22" × 22".

Block Directions

You will now make each type of block following the steps on each diagram. You need to make 4 triangle blocks, 4 bear paw blocks, and one center block. Have fun making each one! Don't forget to press often for the best and straightest seams.

Fox Paw Medallion

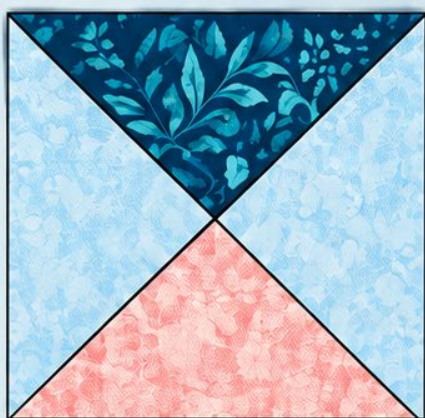

A MINI QUILT PATTERN BY HOOLIGAN CREATIONS

Creating the Triangle Block

Make 4

Block Details

Finished Size: 6" x 6"

This block is made from four large triangles.

Fabrics Needed (per block)

1 triangle – Fabric A

2 triangles – Fabric B

1 triangle – Fabric C

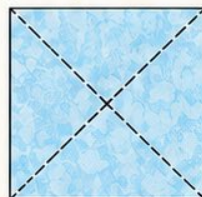

*Simple Pieces.
Big Possibilities.*

Step 1 – Cut the Triangles

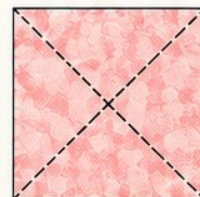

Follow the Cutting Chart to cut the 6½" squares for each fabric. Subcut each square diagonally twice to make four triangles.

Fabric A
6½" square

Fabric B
6½" square

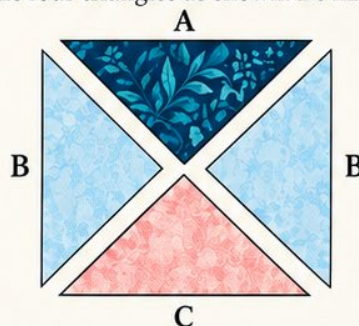

Fabric C
6½" square

Each square makes four triangles.

Step 2 – Arrange the Triangles

Lay out the four triangles as shown. Be mindful of the fabric placement.

Tip:

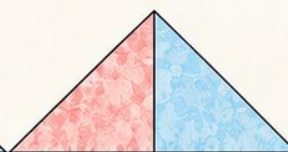

Make sure the long edges of the triangles are facing out and the points meet in the center.

Step 3 – Sew the Triangles Together

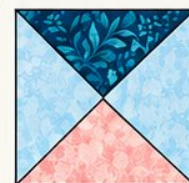

Sew the triangles together in pairs, then join the two halves.

1. Sew Fabric A triangle to a Fabric B triangle. Make 1.

2. Sew Fabric C triangle to a Fabric B triangle. Make 1.

3. Join the two halves and press. Block should measure 6½" x 6½" unfinished (6" x 6" finished).

Fox Paw Medallion

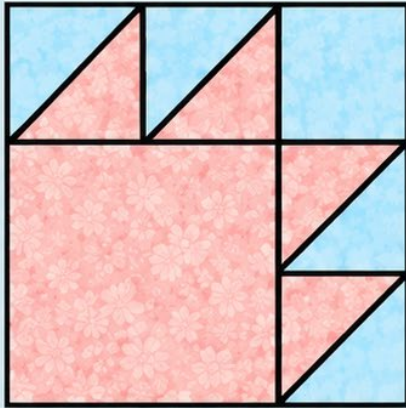

A MINI QUILT PATTERN BY HOOLIGAN CREATIONS

Bear Paw Block

Make 4

Block Details

Finished Size: 6" x 6"

This block is made from one large square, one small square, and four half-square triangle units.

Fabrics Needed (per block)

Fabric B
(background)

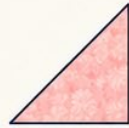

Fabric C
(paw)

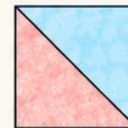

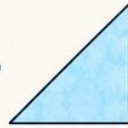

*Simple Pieces.
Big Possibilities.*

Step 1 – Make the Half-Square Triangle (HST) Units (Make 4)

Use the 2½" squares from the Cutting Chart. Each unit is made from two half-square triangles.

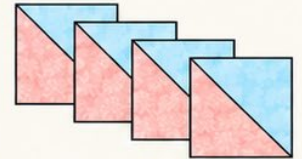

+

Cut four 2½" triangles total
(2 pink and 2 blue).

Sew each pair together
diagonally. Make 4.

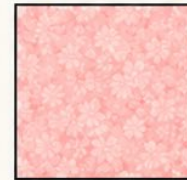

You will make 4
half-square triangle units
(2½" unfinished).

Step 2 – Cut the Center and Background Squares

From the Cutting Chart, cut:

- (1) 4½" x 4½" square (Fabric C)
- (1) 2½" x 2½" square (Fabric B)

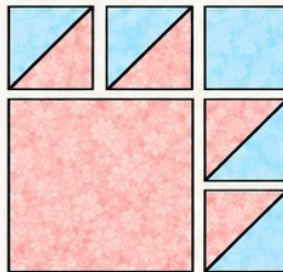

4½" x 4½"
(Fabric C)

2½" x 2½"
(Fabric B)

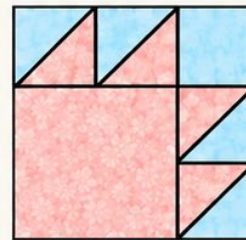

Step 3 – Arrange the Units

Lay out the units as shown.

Step 4 – Sew the Block Together

Sew the units into three rows, then join the rows.

Block should measure 6½" x 6½" unfinished
(6" x 6" finished).

Tip:

Lay out all of
the pieces before
sewing. A quick
check now can
save a lot of
unpicking later!

Center Block
Make 1

Block Details

Finished Size: 6" x 6"

This block is made from one center square, four squares, and four half-square triangle units.

Fabrics Needed (per block)

Fabric A
(background)

Fabric D
(triangle)

*Simple Pieces.
Big Possibilities.*

Step 1 – Make the Half-Square Triangle (HST) Units (Make 4)

Use the 2½" squares from the Cutting Chart. Each unit is made from two half-square triangles.

Cut four 2½" triangles total
(2 yellow and 2 blue).

Sew each pair together
diagonally. Make 4.

You will make 4
half-square triangle units
(2½" unfinished).

Step 2 – Cut the Squares

From the Cutting Chart, cut:

- (1) 2½" x 2½" square (Fabric A)
- (4) 2½" x 2½" squares (Fabric A)

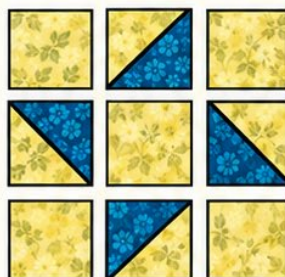

2½" x 2½"
(Fabric A)
Center square

2½" x 2½"
(Fabric A)
Make 4

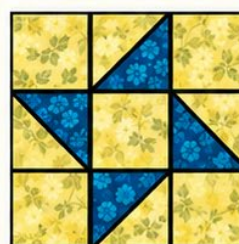

Step 3 – Arrange the Units

Lay out the units as shown.

Step 4 – Sew the Block Together

Sew the units into three rows, then join the rows.

Tip:

Lay out all of
the pieces before
sewing. A quick
check now can
save a lot of
unpicking later!

Block should measure 6½" x 6½" unfinished
(6" x 6" finished).

Assemble the Fox Paw Medallion

Once all 9 blocks are complete, lay them out before sewing. This is a great time to make sure each block is turned in the correct direction.

Step 1 — Lay Out the Blocks

Arrange the blocks in a 3 × 3 grid as shown:

Bear Paw Triangle Block Bear Paw

Triangle Block Center Block Triangle Block

Bear Paw Triangle Block Bear Paw

The Triangle Blocks should point outward, creating the medallion effect around the center block.

Take a moment to check your fabric placement and block orientation before sewing. This is much easier to fix now than after everything is sewn together!

Step 2 — Sew the Rows

Sew the three blocks in each row together using a $\frac{1}{4}$ " seam allowance.

Press the seams as desired. For easier nesting when joining the rows, you may want to press the seams of the first and third rows in one direction and the middle row in the opposite direction.

You will now have three completed rows.

Step 3 — Join the Rows

Place the first row and second row right sides together. Use quilt clips or pins to match the seams, especially where the four blocks meet around the center.

Sew together with a $\frac{1}{4}$ " seam allowance and press.

Repeat to attach the third row.

Step 4 — Admire Your Medallion!

Your Fox Paw Medallion should now measure approximately $18\frac{1}{2}$ " × $18\frac{1}{2}$ " unfinished, giving you an 18" × 18" finished mini quilt once quilted and bound. However, if you would like to add the option border, follow this next step.

Step 5- Optional border

Sew the top and bottom borders first using the 2 ½" x 18 ½" strips. Press the new seams. Next add the left and right borders using the 2 ½" x 22 ½" strips and press again. Now you are ready to quilt and bind your wonderful creation! Congratulations!
